Please come and join with our community to enjoy an evening of dinner, auction and live entertainment as we come together to strengthen the ties that exist between our local American and Japanese communities and grow both our business and personal relationships. Please go to Japanfairgala2018.eventbrite.com for more information of the Gala. We appreciate for you to share this announcement with your friends and colleagues. We are looking forward to seeing you at the Friends of Japan Gala!

The mission of Japan Fair is to promote mutual understanding and friendship between America and Japan, and to embrace the international diversity of the Pacific Northwest. We want to attract as many people from our communities as possible with the wonderful venue, free admission and parking, complementary educational workshops, and a reasonable booth fee.

With your participation in this extremely important cultural community event, you will help to bring the traditional culture with modern advancements of Japan to the Pacific Northwest communities and the public. We hope this event will enhance the peace and harmony among all community members where we live.
